ABOUT MYSELF

A passionate and creative UI/UX designer focused on crafting user-centered designs for both web and mobile applications. Skilled in wireframing, prototyping, and conducting user research to build intuitive interfaces that enhance user experience and drive engagement. Adept at collaborating with cross-functional teams to bring innovative digital products to life. I strive to create seamless, accessible, and aesthetically pleasing designs that solve real-world problems while ensuring a delightful user journey.

EXPERIENCE

2024-2026

UI/UX Designer

- Spearheaded the design process for multiple web and mobile applications, improving usability and overall user satisfaction.
- Collaborated with product managers and developers to implement best design practices and ensure consistency across platforms.
- Conducted user research, including surveys and usability tests, to drive design decisions and enhance the user experience.
- Designed wireframes, prototypes, and high-fidelity mockups for responsive interfaces, streamlining navigation and user interaction.
- Led the redesign of key application features, which resulted in a significant improvement in user engagement and retention.
- Revamped the user interface of several products, simplifying workflows and reducing user frustration.
- Created wireframes and prototypes that effectively communicated design ideas to stakeholders and developers.
- Worked closely with the development team to ensure accurate implementation of design elements.
